

SafetyLit[®]

Weekly Literature Update Bulletin

**SafetyLit is a free service of the
Center for Injury Prevention Policy and Practice
at San Diego State University in collaboration with the
World Health Organization.**

11 October 2010

Volume 13, Number 42

ISSN 1556-8849

<http://www.safetylit.org>

Click on the title of a report to view the full citation and abstract.

**Abstracts of these reports are available now
164 unique articles this week**

IMPORTANT

Please Recommend SafetyLit Search For Your Library's Database Listings

Advanced Search: <http://www.safetylit.org/advancedsearch>

Basic Search: <http://www.safetylit.org/basicsearch>

SafetyLit is now assessed by a new metric -- links to SafetyLit from the search listings pages of university and other libraries and from key pages on other credible sites.

The SafetyLit database contains current and backfile articles from 6290 active scholarly journals and from the backfiles of 2673 additional "inactive" journals. The database contains articles from 3770 journals that are not included in PubMed/Medline.
