

SafetyLit[®]

Weekly Literature Update Bulletin

SafetyLit is a free service of the
SafetyLit Foundation
in collaboration with San Diego State University and the
World Health Organization.

14 February 2016

Volume 19, Number 7

ISSN 1556-8849

<http://www.safetylit.org>

Click on the title of a report to view the full citation and abstract.

Abstracts of these reports are available now
486 unique articles this week

« Please ask your library to include SafetyLit in its listing of literature databases »

Is this pdf version too cluttered and too long? There are alternatives:

- 1) Use your PDF viewer's "bookmarks" (Adobe) or "Table of Contents" (Preview) function to jump to categories of interest to you. All items appear under several categories.
- 2) You may want to view the **Web Version**. This allows you to select tick boxes to only see items in the categories the meet your interests. This is also the best version for users with a slow internet connection.
- 3) Try using the **My SafetyLit tool**. Register to log in and automatically find articles on the topics you want, week after week, after you set your preferences the first time. Soon the options and limits will allow you to fine-tune the weekly update to closely match your needs.
- 4) Consider **subscribing to one or more of the SafetyLit RSS feeds**. An added benefit to this is that you can read the update in near real-time (as items are entered into the database) or as infrequently as once a month without missing anything.

The SafetyLit Foundation has been designated a not-for-profit 501(c)(3) public charity by the US IRS.

Please consider making a donation to support the costs of operating SafetyLit

Click the button below

"Thank you" to those who have already donated to support the current campaign.

If you are going to buy something from Amazon.com anyway
please consider buying through Amazon Smile and using the following link

<http://smile.amazon.com/ch/46-3470743>

0.5% of your purchase will be donated to the SafetyLit foundation.

Amazon does not increase the cost of items purchased through the Smile Program.

Age: Adolescents

"Harder, better, faster, stronger": negative comparison on Facebook and adolescents' life satisfaction are reciprocally related
