Clicking on the Acrobat (light-blue) BookMark symbol to the left of your pdf-reader screen will display a column of "bookmark" links that will allow you to jump to article listings under any of the SafetyLit categories.

**Does a nearby library hold a journal that
contains an article you want to read?**

**SafetyLit now offers a link to a WorldCat service that
allows a user to enter their location and find a list of
OCLC-affiliated libraries that hold a particular journal
within their collection. More than 10,000 library
systems worldwide are participants.**

**Enter your location in the form and you will receive a list of
libraries. This list may be useful to view the journal at the
library or to request that your library obtain a copy of the
article through inter-library loan. Simple instructions are
