Click on the title of a report to view the full citation and abstract.

-- Abstracts of these reports are available now --

Clicking on the Acrobat (light-blue) BookMark symbol to the left of your pdf-reader screen will display a column of "bookmark" links that will allow you to jump to article listings under any of the SafetyLit categories.

Does a nearby library hold a journal that contains an article you want to read?

SafetyLit now offers a link to a WorldCat service that allows a user to enter their location and find a list of OCLC-affiliated libraries that hold a particular journal within their collection. More than 10,000 library systems worldwide are participants.

Enter your location in the form and you will receive a list of libraries. This list may be useful to view the journal at the library or to request that your library obtain a copy of the article through inter-library loan. Simple instructions are available at: <http://www.SafetyLit.org/locate-library.htm>
