Help us to identify your journal articles that aren't included in SafetyLit

Please help us to include articles that should be in SafetyLit but are not. If you are an author of journal articles (or if your institution has authors who have published articles) that are not in SafetyLit but should be; please let us know.

Use the new SafetyLit feature "Browse Authors" to identify papers that are in SafetyLit and then tell us what is missing. You can reach the Browse Authors page by clicking the link on the second line of red navigation links on the SafetyLit.org homepage.

Please provide the full citation information and include the doi number (if one was assigned). Send your items or comments to SafetyLit@sdsu.edu

Thank you
